

# Scale-up4 Sustainability

In an online interactive session on **16 October 11h00-12h00** (GMT+1), we present concepts, results and experiences of student-business collaboration in green venturing of the ScaleUp4Sustainability (S4S) project in Germany, Sweden, and The Netherlands. The S4S-project aims to integrate the linkage between economic and ecologic thinking in education. Doing so S4S fosters the development of innovative business models in green venturing. Admission is free, register at: [stel@createnewbusiness.com](mailto:stel@createnewbusiness.com).

ScaleUp4Sustainability (S4S) addresses new forms of student-business collaboration in green venturing. S4S brings green venturing knowledge into practice and develops new teaching modules.

Date & Time: 16 October 2020 10h00 – 11h00
